I hereby submit this application for an Airport ID Badge and agree to the following:

1. By submitting this application for an Airport ID Badge, I agree to comply at all times with the rules, regulations and policies of ACAA; the rules, regulations and policies of the Transportation Security Administration (TSA), including the provisions of Title 49, CFR, Parts 1540, 1542, and 1544, and all applicable local and federal laws.
2. All Airport ID Badges remain the property of ACAA.

4. My Airport ID Badge may not be transferred to another individual or used for any purpose by another individual.
5. I will visibly display my Airport ID Badge outside my garments on my upper body whenever I am in the SIDA.
6. I understand that if traveling as a passenger, I must access the Sterile Area through a TSA screening checkpoint, including KCM checkpoints with any accessible property I intend to carry onboard the aircraft and remain in the Sterile Area after entering.
7. I understand that use of the Airport ID Badge constitutes my consent to any search of either my person and/or accessible personal property when entering a direct access point or while present on ACAA property, including but not limited, to a secured area and/or a sterile area of the AOA.
8. In the event of any change in my employee status (i.e. transfer, job title), I will obtain a new Airport ID Badge denoting the change and I must return the original Airport ID Badge to the Airport ID Badge Office.
9. I will not aid nor participate in "piggy-backing" (allowing unauthorized access to secure or restricted areas) where it is prohibited at high security doors as detailed in the SIDA training. Nor will I otherwise breach, disobey or disregard any security directive, plan or program at the airport.
10. If I am granted an Airport ID badge entitling me to escorting privileges, I assume responsibility for the person or persons being escorted at all times. Purpose: The Department of Homeland Security (DHS) will use the information to conduct a security threat assessment. If applicable, your fingerprints and associated information will be provided to the Federal Bureau of Investigation (FBI) for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems including civil, criminal, and latent fingerprint repositories. The FBI may retain your fingerprints and associated information in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI. DHS will also transmit your fingerprints for enrollment into US-VISIT Automated Biometrics Identification System (IDENT).

DHS will also maintain a national, centralized revocation database of individuals who have had airport- or aircraft operator- issued identification media revoked for noncompliance with aviation security requirements. DHS has established a process to allow an individual whose name is mistakenly entered into the database to correct the record and have the individual's name expunged from the database. If an individual who is listed in the centralized database wishes to pursue expungement due to mistaken identity, the individual must send an email to TSA at Aviation.workers@tsa.dhs.gov.

Routine Uses: In addition to those disclosures generally permitted under 5 U.S.C. § 552a(b) of the Privacy Act, all or a portion of the records or information contained in this system may be disclosed outside DHS as a routine use pursuant to 5 U.S.C. § 552a(b)(3) including with third parties during the course of a security threat assessment, employment investigation, or adjudication of a waiver or appeal request to the extent necessary to obtain information pertinent to the assessment, investigation, or adjudication of your application or in accordance with the routine uses identified in the TSA system of records notice (SORN) DHS/TSA 002, Transportation Security Threat Assessment System. For as long as your fingerprints and associated information are retained in NGI, your information may be disclosed pursuant to your consent or without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses.

Disclosure: Pursuant to § 1934(c) of the FAA Reauthorization Act of 2018, TSA is required to collect your SSN on applications for Secure Identification Display Area (SIDA) credentials. For SIDA applications, failure to provide this information will result in denial of a credential. For other aviation credentials, although furnishing your SSN is voluntary, if you do not provide the information requested, DHS may be unable to complete your security threat assessment.
