# Healthcare Flexible Spending Account

with Grace Period

## How does it feel to save hundreds of dollars every year?

It's up to you. Simply decide how much to contribute to your Healthcare FSA, and funds are withdrawn from your paycheck *before taxes*. So you're not paying taxes on your full income. And that feels pretty good.

## If you've ever used an app, you can do this.

Checking your balances and managing your account is as simple as using your smartphone. Just download the MyFlex<sup>SM</sup> mobile app to access your account from anywhere.

## If you want to save, here's how you start.

- Estimate your annual healthcare expenses and make your contributions accordingly.
- Utilize a grace period of up to 2 ½ months after your plan year ends to spend down money left in your account.

Sign up during your Open Enrollment period, or contact your benefits manager now for more information.
