Starting a New PIT ID Badge Application

PERFORMED BY: AUTHORIZED SIGNATORY AND APPLICANT

HOW DO I OBTAIN A PIT ID BADGE?

The Authorized Signatory for the company that is sponsoring you to work at PIT will initiate your PIT ID badge application with your full legal name, date of birth, last 4 digits of your social security number and email address. Once this step is complete, you will receive an email with login instructions to complete your online application.

WHAT IF I DON'T HAVE AN EMAIL ADDRESS?

Email addresses are required for all PIT ID badge holders. If you do not have an email, work with your Authorized Signatory to set up a free email account that you can use.

WHAT HAPPENS AFTER MY PIT ID BADGE APPLICATION IS SUBMITTED?

Once you submit your PIT ID badge application, your Authorized Signatory will review and approve it. If there is any incomplete information, the application will be sent back to you for correction. Once approved, the next step for most applicants is to schedule an appointment for fingerprinting through your Authorized Signatory. All applicants will receive an email with instructions once their application has been approved.

STEP 1

You will receive a PIT ID badge application request in your email.
