PIT's Green Terraces:

Reimagining the Airport Experience Through Nature, Connection and Innovation

July 17, 2026

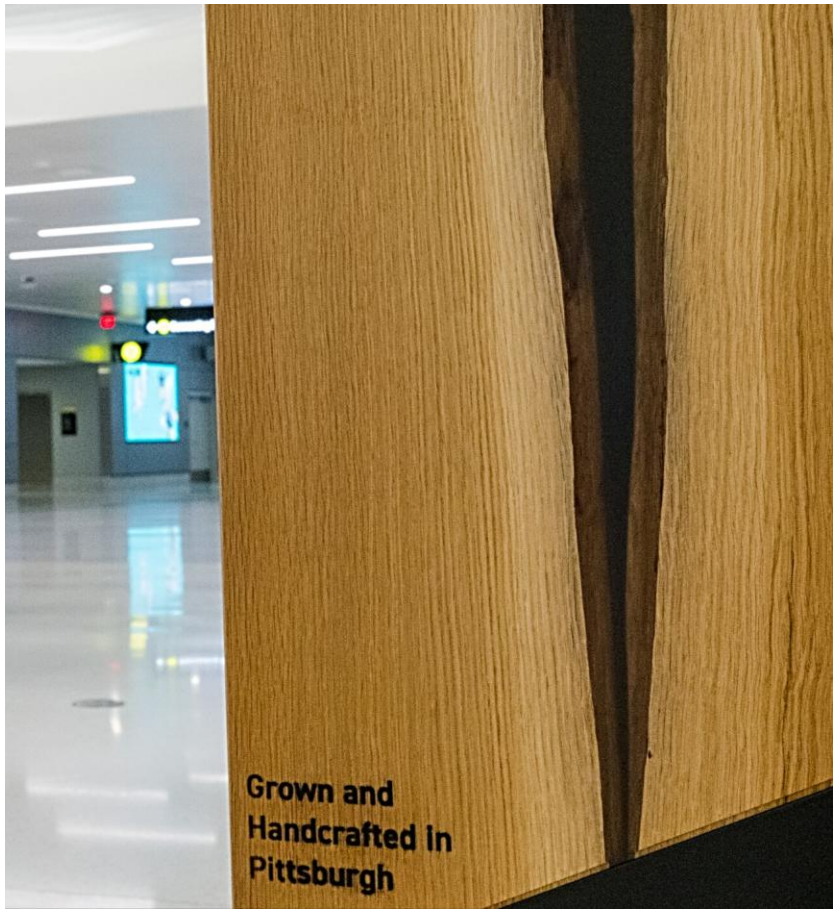

The transformed PIT is designed to be distinctly Pittsburgh and welcoming to all

ACAA

Biophilic Design

Place-Based Design

Universal Design

PIT’s green terraces are the next expression of our vision to transform the airport experience

ACAA
Allegheny County
Airport Authority

The terraces were designed to reflect the region and are available to everyone at no cost

The terraces help fulfill our promise to shape a more welcoming and accessible experience

ACAA
Allegheny County
Airport Authority

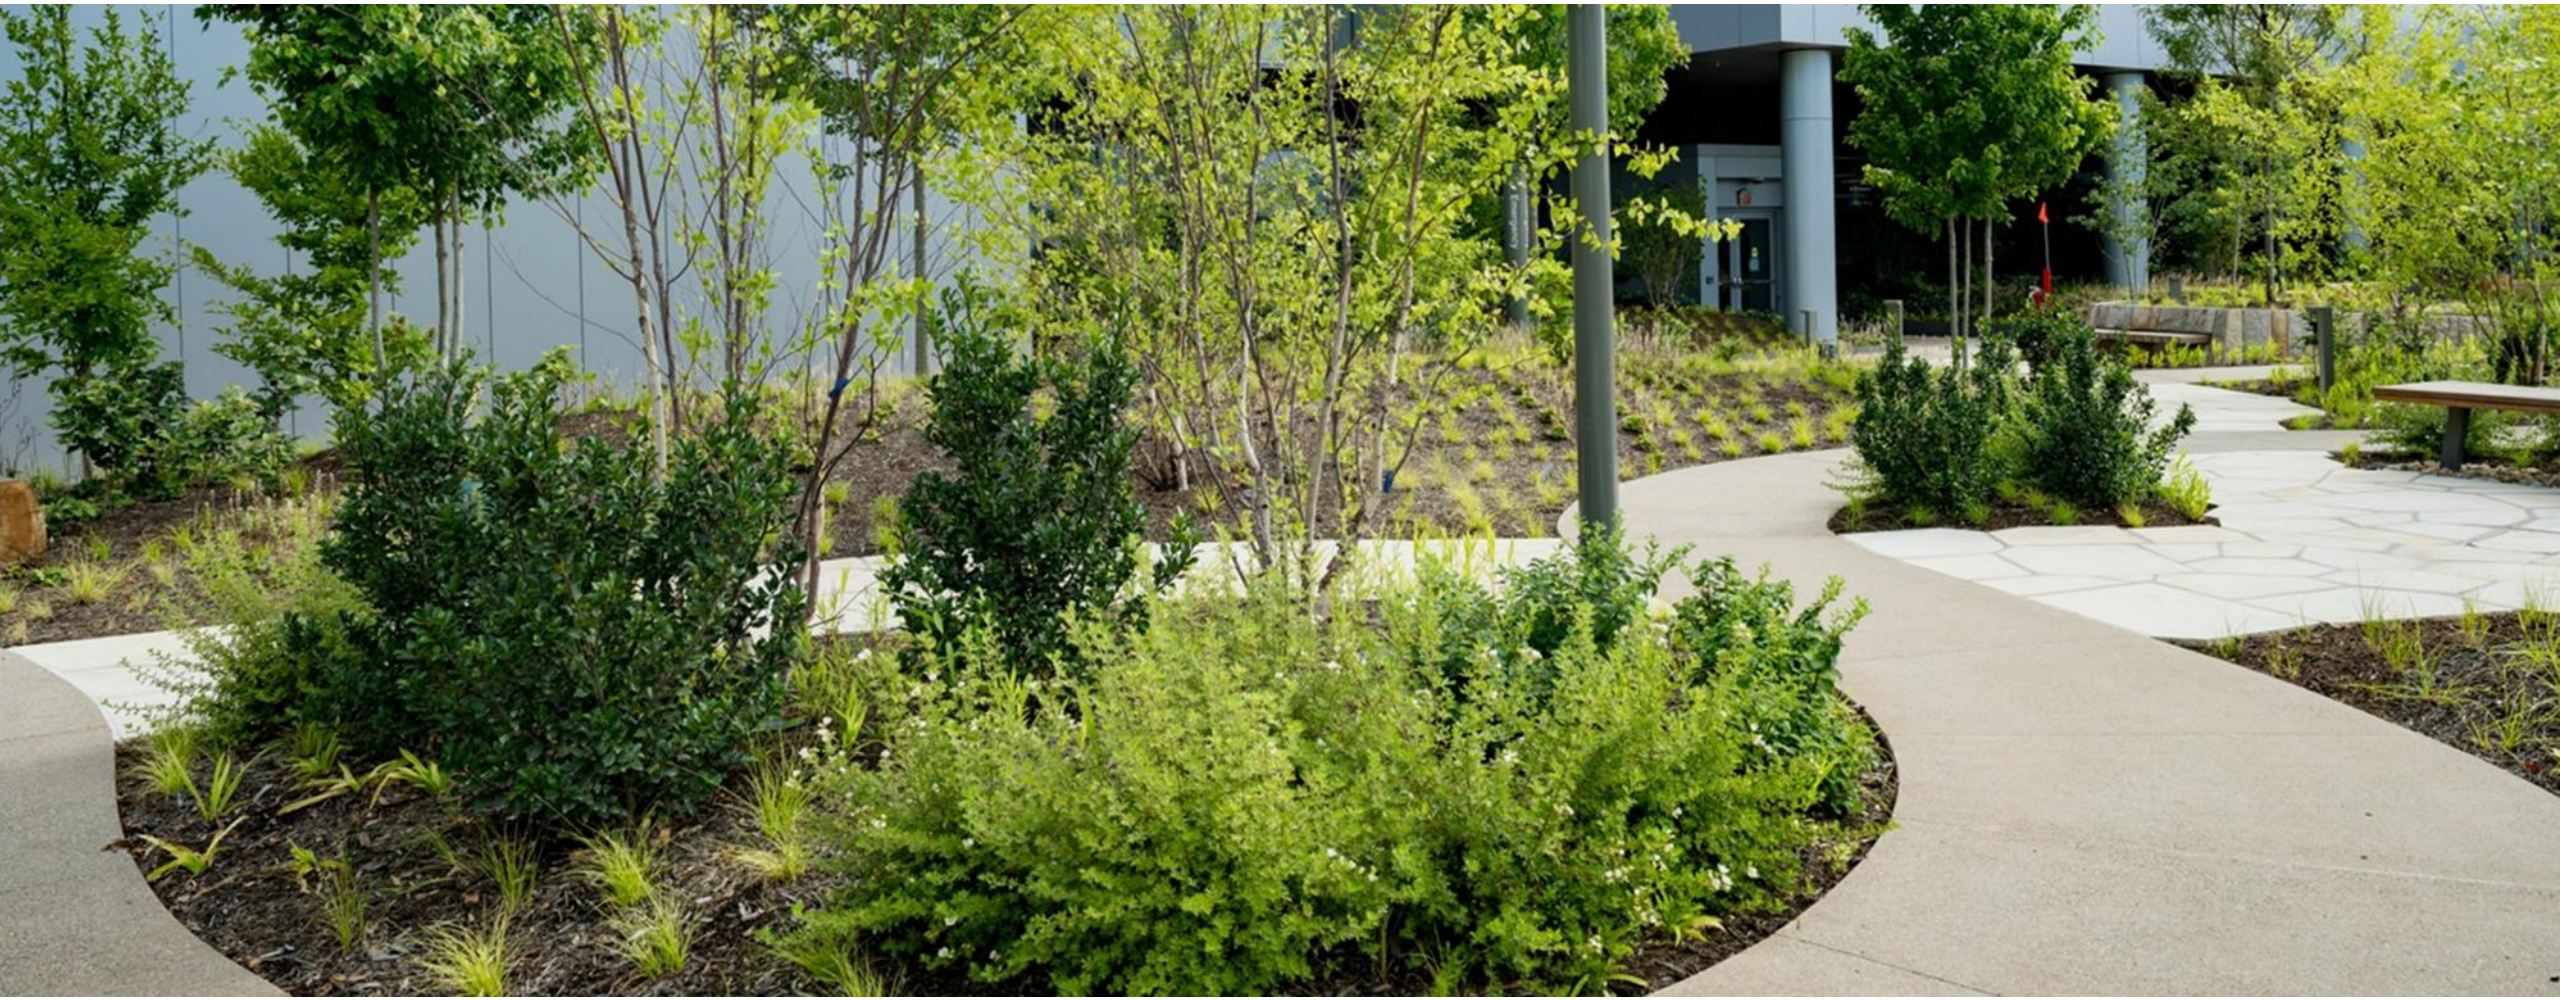

PIT’s terraces reflect the Western Allegheny Plateau and Central Appalachian Ravine

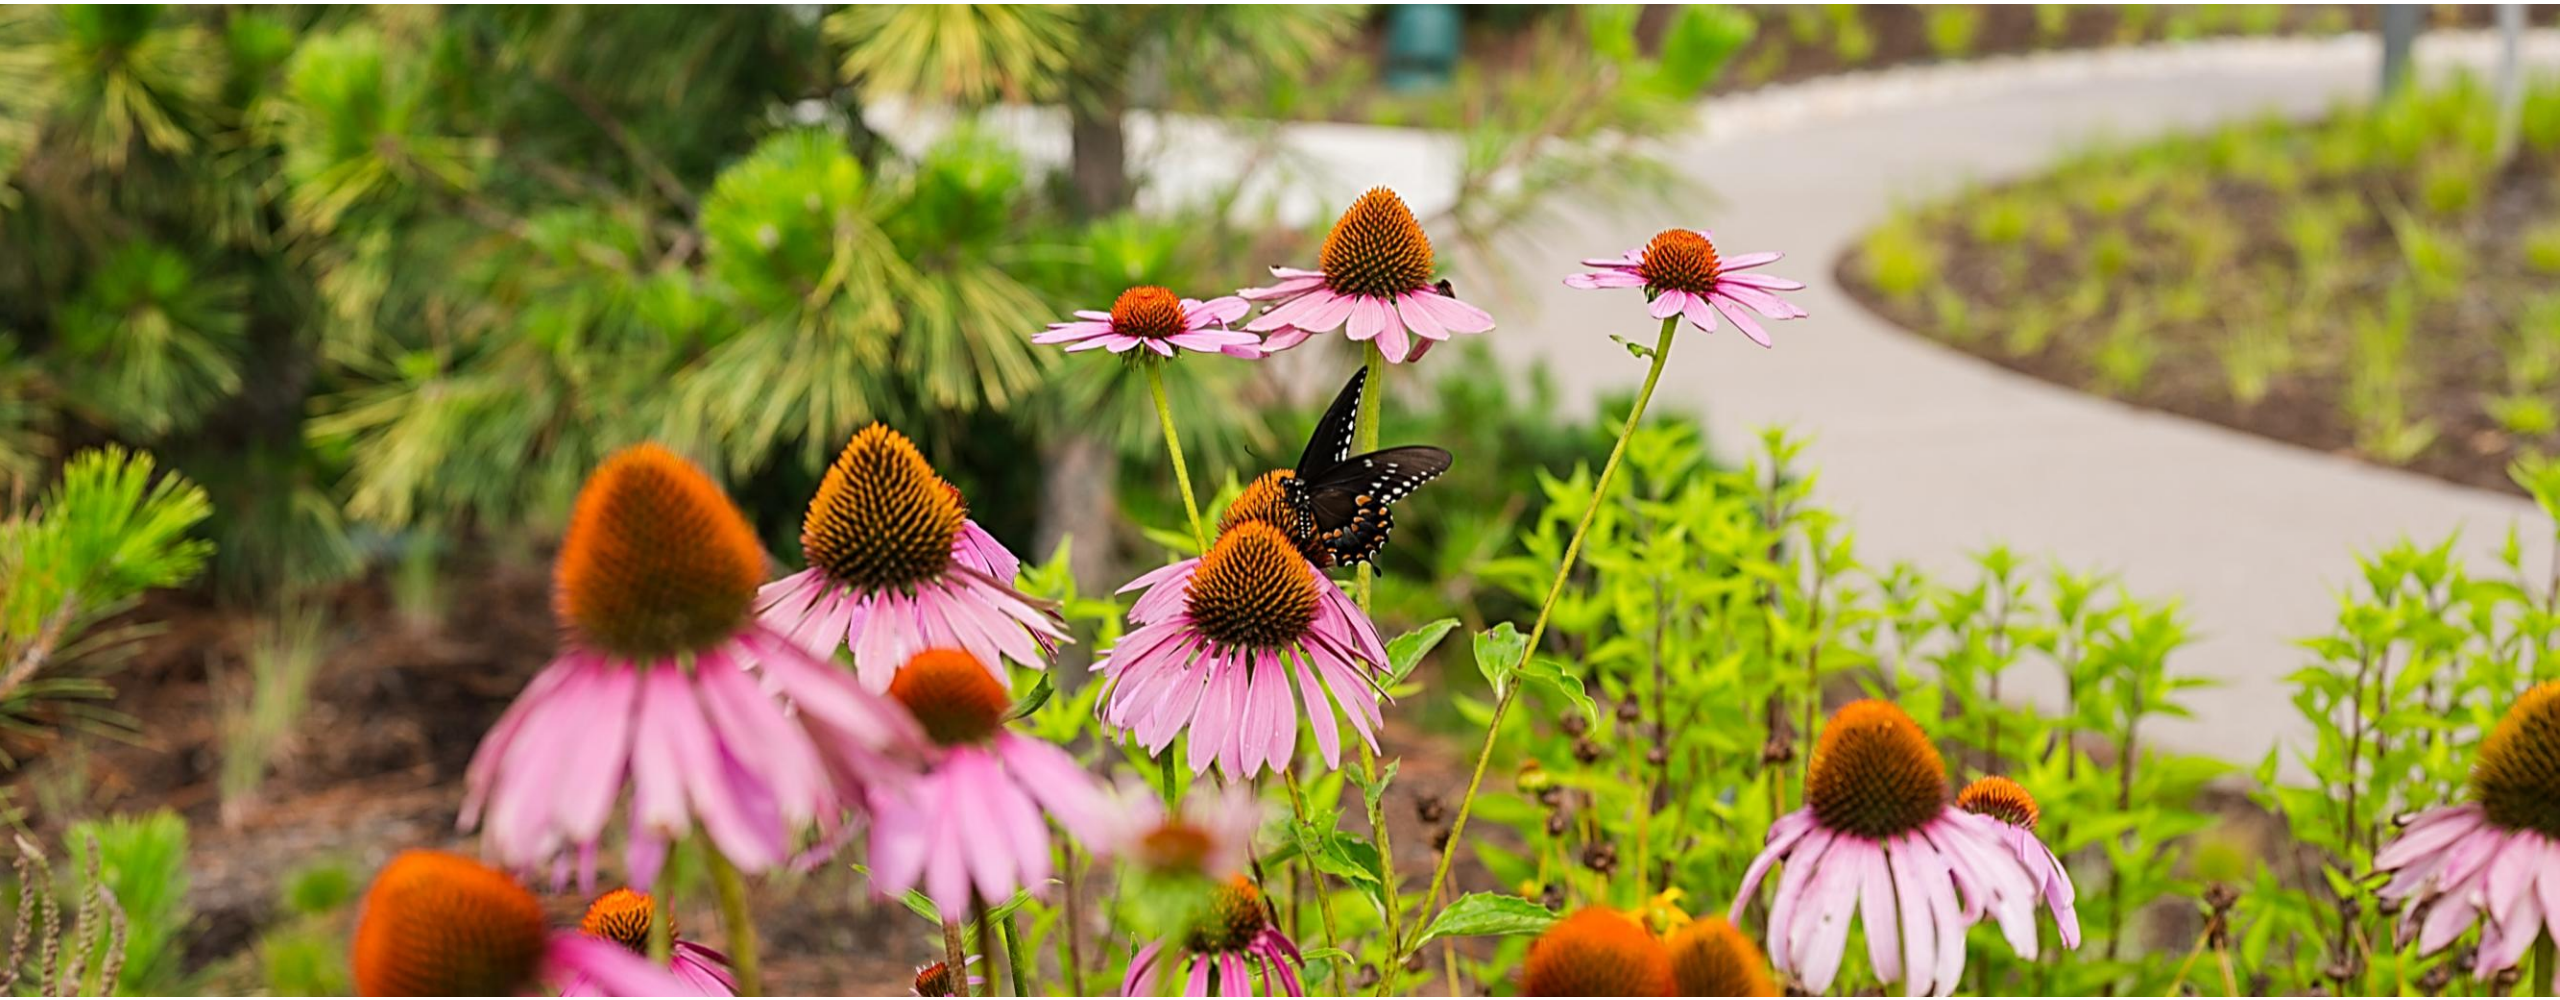

Pittsburgh is planted into every detail — the four terraces feature 28 native plant species

ACAA
Allegheny County
Airport Authority

Design features like a rainwater capture system have placed PIT on the path to LEED Gold

The green terraces are one more illustration of PIT's innovation in the modern airport experience

ACAA
Allegheny County
